Identity™

Inspired by the individuality of our customers' projects, the Symmons Identity Collection balances sleek curves and defined edges with stylish simplicity. Its distinct contours bring a modern touch to timeless décor. [About this Collection](#)

Tub/Shower Valve Bodies

Symmons Temptrol pressure-balancing shower and tub/shower valves instantly react to disturbances in water pressure to maintain safe shower temperatures. All functioning valve parts are brass, bronze and stainless steel delivering maximum durability and reliable performance. Temptrol pressure-balancing valves have been the trusted choice for customers for over 75 years. [About this Collection](#)
