Dia®

The European design of the Symmons Dia Collection was inspired by modern industrial structures. Its clean, geometric lines make it the smart choice for any bath. [About this Collection](#)

Tub/Shower Valve Bodies

Symmons Temptrol pressure-balancing shower and tub/shower valves instantly react to disturbances in water pressure to maintain safe shower temperatures. All functioning valve parts are brass, bronze and stainless steel delivering maximum durability and reliable performance. Temptrol pressure-balancing valves have been the trusted choice for customers for over 75 years. [About this Collection](#)
