

Rebuild. Remodel. Renew.

The Symmons Temptrol pressure-balancing, anti-scald valve makes transforming the look of your shower easy and cost-efficient. Our valve is compatible with a wide variety of trims, making design options unlimited. If you start with Symmons, staying with Symmons will save you time and money over the life of your property.

1 Rebuild Your Valve

Simply replace the flow control spindle (TA-10) and seats (TA-4) to easily extend the life of your valve. No need to get behind the wall.

2 Remodel Your Bath

Symmons shower trims are available in a wide range of styles and finishes to suit any project or budget.

3 Renew Your Warranty

Rebuilding and remodeling with Symmons will renew your 5-year commercial warranty.
